

Treasure Hunt Activity - Design Templates

1. Title of the Activity

Catchy name that reflects the theme or purpose.

2. Target Group

Who is it designed for? (e.g., high school students, young activists, NEET youth)

3. Theme of the Hunt

Main topic, e.g., inclusion, media literacy, sustainability, digital safety.

4. Learning Objectives

What will participants learn or practice during this treasure hunt?

5. Number of Stations (3-5)

| Station | Challenge Type | Location | Tool Used | Learning Point |

6. Tools / Platforms

E.g., Google Forms, QR codes, Padlet, Actionbound, printed cards.

7. Duration

Total time and time per station.

8. Instructions for Players

Clear task overview they will receive at the beginning.

9. Reflection Element

How will participants reflect on the experience afterward?
